### NEW IDAHO SLA BROKER PORTAL COMING THIS FALL!

As we shared last month, the Idaho Surplus Line Association will be transitioning away from the InsCipher Broker Portal and launching a brand-new Idaho SLA Broker Portal this fall. This new system is being developed specifically with the unique needs of the Idaho Surplus Line Association and the Idaho Surplus Lines market in mind. It will offer the tools and functionality brokers and their teams need to efficiently complete filings and process invoice payments.

We're also excited to announce the launch of a new Idaho SLA website as part of this rollout. The updated site will include helpful resources and links, along with a stamping fee and premium tax calculator to make reporting even easier.

We recognize how important it is to provide ample notice and ensure a smooth transition. Over the next several months, we'll be sharing more information about the new platform, including key dates, training resources, and how you can best prepare. We'll also be reaching out for your input to help shape the final product and make it as user-friendly as possible.

**FROM ALL OF US AT SLA IDAHO, HAVE A JOYFUL, SAFE, AND RELAXING INDEPENDENCE DAY!**
