### POLICY FILING DEADLINE

Brokers are required to electronically report all policy transactions within 30 days of receipt of the policy by the broker. Go to the SLA website, [idahosurplusline.org](http://idahosurplusline.org) and log in at **File Online**, upper right. Please submit 2021 premium filings before December 23 to guarantee processing and acceptance by calendar year end. We are unable to open broker files after 12/29 when the books are closed. 2021 calendar year reports are immediately delivered to the Department of Insurance. The DOI uses SLA calendar year totals to audit broker tax reporting. **To avoid additional fees, please log in and attend to your flagged filings.**
